

2023-2024 NONPROFIT PROJECT APPLICATION

Applications due: June 9, 2023

Tampa Connection Overview:

Since 1986, Tampa Connection has prepared more than 2,500 professionals to become active volunteers and leaders in the Tampa Bay community. The program, consisting of class learning days and execution of a project for a local nonprofit, encourages leadership development, building relationships and community awareness.

The Tampa Connection Board of Directors is seeking local nonprofit organizations to submit project proposals to be considered for the 2023-2024 program. A limited number of nonprofit projects are selected to be carried out by the Tampa Connection class members during the program year (August – May).

Nonprofit Project Overview:

Teams consisting of 10-15 members from the Class Program are asked to take full responsibility for the planning and implementation of the projects selected for the participating nonprofits in partnership with the organization.

We encourage Nonprofits to be creative in identifying a meaningful project that would benefit your organization, while utilizing the diverse skills of Class Members to the fullest. The most successful projects have the following characteristics:

- Tangible
- Well-defined by the organization
- Goal-oriented
- Achievable within 6 months

Examples of past projects can be found [here](#).

Nonprofit Selection Overview:

All nonprofit project applications will be reviewed by the Tampa Connection Board. Applicants will be notified in mid-July whether they were selected as a finalist to present to the Board of Directors. Project finalists will be asked to make a brief presentation to the board members on **August 1, 2023**. If chosen for the program, organizations are expected to attend multiple days including the Purpose and Projects program on **October 5, 2023**, where you will have a chance to explain your project and expectations to the Tampa Connection class members who will be working on your project. Organizations are also expected to attend monthly team meetings to ensure the project is on track and project deliverables are meeting the needs of the nonprofit.

If your organization would like to submit a project idea for consideration, please complete an application as soon as possible. No applications will be accepted after **June 9, 2023**. If you have questions regarding the process or project ideas, please email administrator@tampaconnection.org.

ABOUT YOUR ORGANIZATION

Mission statement:

Expose individuals to expressive, educational, and vocational experiences in the arts.
--

A brief description of the services provided:

Provide ongoing studio arts workshops five days per week. Provide students with education and experience in artistic techniques, as well as vocational skills related to the display, promotion, and sale of their expressive works.
--

Summary of the proposed project (please be specific and include detail):

Create a business plan for the development of an “art thrift store” as a social enterprise to benefit and support the organization.

An overview of the goals you hope your project will accomplish, and a description of the current challenges this project would rectify:

Goals:

Develop a feasibility study

Identify a store space

Determine store structure

Provide a business plan for opening and running the store

Challenges:

Current staff does not have the time to build program from scratch

What resources (personal contacts, tools, talent, monetary) are you prepared to contribute?

Program will provide all financial aspects of developing the store.

We can provide access to our board and staff to assist with brainstorming.

What would success look like for the team assigned to your project at the end of the program year? Please be specific.

A successful outcome will be a store grand opening in May of next year and a comprehensive business plan for future operations.

Have you tried to create/implement the proposed project in the past? If yes, please explain.

The idea has been discussed, but we have not had the time to dedicate to it.

Is there anything else you want us to know about your organization or the proposed project?

Proceeds from the store will support our community arts program, which serves adults with developmental, emotional, and/or physical disabilities. This arts program provides professional artist mentorship for enrolled member artists in the performing and visual arts in a vibrant studio environment. Visual artwork created may be selected to be exhibited in our onsite gallery and other local galleries across Tampa Bay.

Please note:

Fundraising under any capacity for the nonprofit organization is not an acceptable project for the Tampa Connection class members. Any applications with a fundraising component will not be considered. The nonprofit is responsible for funding any needed seed money or supplies for the project. Additionally, our class members typically do not have the skills to create websites. Nonprofits applying for this type of project or any other technology type of project will be asked to have a technology employee available from the organization. Material and information can be gathered, but coding and creation will most likely be outside of the skillset of the class members.

Due to the nature of Tampa Connection’s nonprofit application process and volunteer class members, Tampa Connection cannot guarantee the protection of confidential information, if any, shared through this application or with Tampa Connection’s Board of Directors or class members. Applicants are encouraged to identify proposed projects and share project information, ideas, and goals with this in mind.
